Can We Talk?

**Join us in a community conversation with
City Manager Rod Gould about neighborhood
projects, the economy, and the future.**

***Monday, November 21, 7:00 P.M.
Civic Auditorium East Wing
1855 Main Street***

- **How does the economy look from a local perspective? Rod Gould will discuss our fiscal outlook and talk about the City's strategies for difficult times.**
- **What did the City do last year? How will we build on that? Talk with Rod Gould and members of City staff about what was accomplished last year, City initiatives and outreach projects, and what is going on in your neighborhood.**

This is a unique opportunity for residents to ask questions, offer comments and make suggestions to the City Manager and staff from City Departments, such as Police, Fire, Planning, Transportation, Big Blue Bus, Emergency Management, Public Works, Human Resources, Sustainability and the Environment, Public Landscape, Cultural Affairs, and Housing.

We urge you to attend this meeting. Let City officials know that Wilmont residents care about what happens here in Santa Monica.

It's okay if you come late or leave early. There will be plenty of time for questions and answers.

The Wilshire/Montana Neighborhood Coalition (Wilmont) is one of seven neighborhood groups recognized by the City of Santa Monica. For more than twenty years, we have worked with the City to ensure that the voices of our residents and local businesses are heard. Wilmont represents the largest population of any neighborhood organization in the City of Santa Monica, spanning the area between 21st Street and the Ocean, from Wilshire Boulevard to Montana Avenue.
